KODAK HOUSE,
HORNEY ROAD/FORT.

BOMBAY, 5th April 19 32

Dear Sir Mirza Ismail,

It has been very unfortunate that I have not been able to see you during your several trips when you passed through Bombay, either on account of my being out of town, or on account of my getting the information regarding your visit after you had already left.

You were aware of my ambition to serve Indian States collectively with regard to economic issues arising out of the Butler Committee's report and after the Round Table Conference. You very kindly assisted me in this matter, but it is my misfortune that it has not yet fructified.

You very kindly gave me a commission in respect of Mysore (vide copy of official letter herewith). In this connection I paid a visit to Bangalore in June 1930, and sent down various notes, some of which were useful for the Statistical and Fact Finding Committee. At the first Round Table Conference, economic questions in connection with the States did not arise, and, in regard to the second, the economic issues were very severely limited.

C. B. 2539
8-4-32
I am anxious to finish off whatever obligations, if any, in connection with the Mysore case still remain on me, and would put in the necessary work if the queries were sent down by the Department. I shall deem it a favour if you will give directions so that this contract may be fulfilled, and the balance of remuneration due to me may be paid.

Bangalore is a very far cry, but I should very much like to be favoured with an intimation when you are passing next through Bombay. The trend of Government finance, both in the States and in the provinces, is now difficult for some years, and the immediate future is extremely uncertain, though, with the advent of the reforms, the distant future for the whole of India does not appear to be bad.

I have plenty of time on my hand, and if there is any matter, or any direction, in which I can prove useful, kindly let me know.

Yours sincerely,
Mam Subedar

My dear Madhava Rao,

Many thanks for your letter dated 16th ultimo.
The remittance of Rs.1,000/- has been received. Please find
an acknowledgment herewith in full settlement.

I much regret that I cannot agree to the reason
given by you in your letter under reply for the arrangement
leading to the curtailment of payment. It is clear to my
mind that it is through no fault of mine that the Mysore
Government did not use as fully as they would have desired,
my services in connection with the economic case. However,
I value very much my connection with Mysore State and I
have readily acquiesced in the arrangement in the hope that
if and when a suitable occasion arises in the future, my
services will be again requisitioned.

With kind regards,

Yours sincerely,
